Block Construction

Block A

1. Draw a diagonal line from corner to corner on the wrong side of each 3 7/8" B3798 Daisy square. Right sides together, layer a marked square with a 3 7/8" B3800 Black square. Sew 1/4" from each side of the marked line. Cut the squares apart on the marked line to make two half-square-triangle (HST) units. (figure 1) Make a total of fifty-two Daisy/Black HST units.

fig. 1-Make 52.

2. Repeat step 1, using the remaining thirteen B3798 Daisy squares and thirteen 3 7/8" B7900 Parchment squares to make twenty-six Daisy/Parchment HST units.

3. Join two Daisy/Black HST units from step 1 and two 3 1/2" B3509 Jet squares to make a four-patch unit. (figure 2) Make

twenty-six four-patch units.

4. Join two 3 7/8" B7900 Parchment triangles and one Daisy/Parchment HST unit from step 2 to make a unit. (figure 3) Sew one B2582 Hive HST to the unit to make a corner unit. (figure 4) Make

Block B

6. Draw a diagonal line from corner to corner on the wrong side of each 3 1/2" B3801 Daffodil square. Right sides together, layer a marked square on one end of a 3 1/2" x 6 1/2" B7900 Parchment rectangle, noting the orientation of the drawn line. Sew on the marked line and trim the excess corner fabric, leaving a 1/4" seam allowance. Press the seam allowances toward the resulting triangle. In the same way, sew a marked square to the opposite end of the rectangle to make a flying-geese unit. (figure 6) Make a total of forty-eight flying-geese units.

7. Lay out four flying-geese units, four 3½" B7900 Parchment squares and one 6½" B3800 Spell square in rows as shown in figure 7. Sew the blocks together in rows. Then sew the rows together to make one Block B. Make a total of twelve of Block B.

Quilt Top Assembly

8. Alternately lay out Blocks A and B in five rows of five blocks each, rotating the blocks as shown in the Quilt Assembly Diagram. Matching adjacent seams, join the blocks into rows; then sew the rows together in order.

9. Sew a 3½" x 60½" B3799 Eclipse strip to each side of the quilt top. Sew a 3½" x 66½" B3799 Eclipse strip to the top and another to the bottom of the quilt top.

Finishing

10. Layer the quilt top, batting and backing and quilt as desired.

11. Stitch the binding strips together end to end using diagonal seams. Fold and press the resulting long strip in half lengthwise with wrong sides together. Stitch to the quilt front, matching raw edges and mitering the corners.

12. Fold the binding to the quilt underside and hand-stitch the folded edge to the quilt back.
